To Whom It May Concern:

I am writing to ask you to rescind the requirement that all "contraceptives" and sterilization procedures be covered by private health insurance with no co-pay to patients.

It does no service to unity and civility in the US to override the conscientious objection of pro-life Americans and force them to subsidize what they do not agree with. This kind of heavy-handed government intervention turns people against one another and fosters hostility.

I respectfully ask you to do the right thing and reconsider this offensive directive.

Sincerely,
Joseph Rafchiek
